

TRIAL OF SMITH WILL BEGIN TO-DAY

Indicted for Murder of Joseph Walker in Chesterfield County.

ASCENSION DAY OBSERVED

J. P. Skinner, Member of A. P. Hill Camp, Is Dead—Other Petersburg News.

Times-Dispatch Bureau, 5 Bollingbrook Street, (Telephone 1455), Petersburg, Va., May 16.

The case of the Commonwealth vs. Clement F. Smith, indicted for the murder of Joseph Walker in Chesterfield county, several weeks ago, will be called for trial in the Circuit Court of Chesterfield to-morrow. The accused will be defended by Samuel W. Zimmer, of this city. One or more witnesses from Petersburg have been summoned to testify as to what Smith said about the shooting while he was in the hospital here, and before he had heard that Walker was dead. As far as is known, there were no witnesses to difficulty between the two men.

Ascension Day Observance.—The Knights Templar, of the city, observed Ascension Day with appropriate services, held to-night in the gymnasium of the commandery on West Tabb Street. There was divine service, with a sermon by the Rev. E. P. Dandridge, rector of St. Paul's Episcopal Church. Master Masons and their ladies and friends were among the guests.

In the Hustings Court.—The May term of the Hustings Court was opened to-day. Several indictments were returned by the grand jury and several trivial cases were tried.

William Lawson, a negro, indicted for forgery in two cases, pleaded guilty to one charge, and the court suspended sentence until the next term. The other charge was continued.

Will Enlarge Plant.—The British-American Tobacco Company, which owns and operates a large plant at Brown and Perry Streets, has, it is understood, purchased the adjoining property on Perry Street, owned by St. Stephen's Episcopal Church, and occupied in part by that church. The company contemplates enlarging its present plant and increasing its output, which will, of course, necessitate the employment of an additional large number of people.

Gives New Blood and Renewed Vigor

C. H. Long Proved This Claim By Personal Test—One Man's Statement

Mr. C. H. Long, of No. 23 North Harrison Street, makes the following statement in connection with "Tona Vita," this new tonic now being introduced in Richmond:

"I had been suffering with indigestion, constipation and pain in the stomach. My doctor treated me and said I was threatened with appendicitis, but the medicine he gave did me no good. A friend advised me to try 'Tona Vita,' which I did, and found it wonderful. I have only taken two bottles of it, and am a changed man. I am in better health now than I have been in years."

The specialists who are here introducing "Tona Vita" say that there is nothing uncommon or remarkable about Mr. Long's case. "Why, we are receiving hundreds of such testimonials from Richmond people who have been benefited by our preparation," said one of these specialists. "The chief value of 'Tona Vita,'" continued he, "lies in the fact that it is quick to respond to the needs of a badly debilitated body. It acts like a true specific in a remarkably short time."

"A tired, dragging feeling of the body, a sluggish mind and dull memory, depression of spirits, intense nervousness, palpitation of the heart, weak back, cold feet, bowel trouble, constipation and headaches are among the many symptoms of a condition from which thousands here in Richmond suffer. This condition is more common in the big cities, where people are apt to disregard the laws of nature."

"Most of the so-called kidney trouble, nearly all indigestion and fully half of the headaches in Richmond can be attributed solely to a nervous, debilitated condition of the body. 'Tona Vita' will positively remove this condition—toning one's nerves, giving new blood and new life."

"Comparatively few realize what a tremendous number of people among those who live in the larger cities like Richmond are afflicted with nervous debility in a more or less aggravated form. Nor does the public recognize the symptoms of this disease when they see them. 'Tona Vita' will repair all organic weaknesses and build up and restore the body to a healthy, normal condition in an astonishingly short space of time. There is no better evidence of merit than that which is shown by the testimony of those who have actually tested a medicine, and we are receiving just such evidence from scores of people who have found 'Tona Vita' to be as represented."

The specialists introducing this remarkable new tonic will meet all calls from 5 A. M. to 5 P. M. at the Polk Miller Drug Company, No. 524 East Main Street.

Quiet Marriage.—At 9:30 o'clock, at the residence of the officiating minister, the Rev. F. W. Moore, who performed the ceremony, Miss Amy Adella Banks, daughter of Mrs. Amy Banks, and James Everett Bridges, of this city, were married. Only a few intimate friends were present.

EMPHATIC DENIAL OF CHARGES MADE

Washington, May 16.—A flat denial of the statements of W. P. Boland, on which were based the charges against Judge Robert W. Archbald, of the Commerce Court, was entered before the House Judiciary Committee to-day by G. F. Brownell, vice-president and general counsel of the Erie Railroad. Brownell declared emphatically that the statements made by Boland to Attorney-General Wickersham regarding Brownell's connection with the proposed sale of the Katydidd culm dump to Judge Archbald and Edward J. Williams were "unqualifiedly false."

"I want this committee to ask Mr. Boland specifically about every statement W. P. Boland made in the Attorney-General's office regarding my connection with this transaction," said Mr. Brownell. "I pronounce them unqualifiedly false. If Boland will make the statements under oath that he gave to the Attorney-General, I want to say that he will be liable for perjury."

Mr. Brownell declared that the charge made by Boland that Brownell had urged the sale of the culm bank to Judge Archbald after the latter had called on the railroad official was "grotesquely and absurdly false."

C. G. Boland, brother of W. P. Boland, will be called when the committee meets to-morrow, and an effort will be made to reach W. P. Boland himself before adjournment. Chairman Clayton said to-night that the Judiciary Committee would endeavor to conclude the preliminary hearing this week.

RED MEN TO MEET NEXT AT HAMPTON

Installation of Officers at Final Meeting—Visit to Mount Vernon.

[Special to The Times-Dispatch.] Alexandria, Va., May 16.—With the installation of the officers of Red Men and Degree of Pocahontas this morning by John W. Cherry, past great inceptor of the United States of Norfolk, Va., in the Young People's Building of the Methodist Episcopal Church, South, the sixty-sixth annual session of the Great Council of Virginia, Improved Order of Red Men, and the second annual session of the Degree of Pocahontas, came to a close.

Before the installation the Red Men selected Hampton as the next place for the annual session of that organization. The fight for this was warmly contested between Hampton and Danville.

The members of both organizations this afternoon made a trip to Mount Vernon by boat. The crowd which attended was not as large as expected, although clearing skies considerably added to the number attending, after a heavy downpour of rain throughout the morning.

Most of the delegates who came here to attend the session departed to-night for their homes, and all expressed themselves as being well pleased with the hospitable manner in which they were treated during their sojourn in this city.

At the session this morning mostly business of a routine nature was disposed of by both organizations, consisting mainly of reports of the various committees. A speech was made by W. A. S. Bird, past great inceptor of the United States, of Topeka, Kan.

In addition to the list of officers published in The Times-Dispatch to-day the following others, elected delegates to the national convention, which will be held at Charleston, S. C., next September, were also installed: Frank J. Korte, Rosnoke; Charles Burkert, Richmond; W. S. Nicklin, Alexandria; A. S. Tennis, Hampton, all of whom are past schemes.

Alva Aerie, No. 571, Fraternal Order of Eagles has purchased from Mrs. Virginia Stewart, of Washington, the handsome three-story brick building now occupied by the Hotel Fleischmann, located on the east side of Royal Street between Prince and King Streets. At the expiration of the lease of Mr. Fleischmann, it is said to be the intention of the Eagles to remodel the building and make it their home. The purchase price is said to have been \$10,000.

Dr. W. M. Smith has sold to James M. Floyd G. Saunders the brick store building and dwelling located on the north side of King Street between Washington and St. Asaph Streets.

Mrs. Harriet T. Dunningfield has sold her handsome residence at the southeast corner of Washington and Cameron Streets to Mrs. Catherine Delaney, of this city.

MARYLAND SOLID FOR CHAMP CLARK

Delegates Pledged to Vote for Him as Long as He Has a Chance.

Baltimore, May 16.—Eight delegates-at-large and twenty-four district delegates, each with half a vote, were elected to the Democratic national convention by the Maryland Democrats in convention here to-day, pledged to support the presidential candidacy of Speaker Clark "as long as there is a chance for his nomination."

Mayor James H. Preston, of Baltimore, was unanimously endorsed for the vice-presidency, and the State delegation was recommended to use every possible effort to secure his nomination.

The proceedings were marked by the utmost harmony. United States Senator John Walter Smith, whose home county of Worcester gave Governor Harmon, of Ohio, the four votes he received at the primary election, heads the list of delegates-at-large. Associated with him are United States Senator Isidor Rayner, Mayor James H. Preston, of Baltimore, Congressman J. F. C. Talbot, Arthur P. Gorman, Jr., former Congressman Joshua W. Miles, John J. Mason, and Jasper N. Willison.

The resolution pledging the delegates to support Speaker Clark was adopted by acclamation, amid cheers.

Other resolutions declared in favor of a six-year term for the President, making him ineligible for re-election, and commended the policies and acts of the Democratic House of Representatives, with special reference to tariff legislation. The tariff was declared to be the great issue before the country, and that the Democratic doctrine of a tariff for revenue only, sufficient for the conduct of the government, administered with rigorous economy, should be the principal purpose of the Democratic party in the fall battle.

A roll call of the counties and legislative districts showed that the presidential primary resulted in the election of seventy-six delegates to the State convention for Clark, forty-nine for Wilson and four for Harmon.

WILSON MEN LOSE OUT.

Unsuccessful in Effort to Secure Instructed Delegation.

The Woodrow Wilson followers fought hard for instructions or endorsement, but lost out. The convention was not very harmonious.

SUBMARINE TUNAR IS HARD AGROUND

Atlantic City, N. J., May 16.—The submarine Tunar, which grounded about four miles off the Great Egg Harbor Life-Saving Station this morning, is still hard aground, and appears to be drifting closer in shore.

Captain Dannebauer, Chief Electrician Parks, Engineers Eddin and Wilson, and Hand, a sailor, are still aboard the craft. The heavy seas are bounding almost directly at the stern, and are driving the vessel from the position where it struck.

The members of the crew who were brought ashore are R. D. Baker, J. Patne, H. Johnson, C. J. Huffer, J. R. Miller, W. Hand, William Stewart, J. J. McCannell, E. Lantz, J. Davison, E. Gardner, William Krobuehr, E. H. Roberts, all of Newport News, and J. L. Horton, of Bridgeport, Conn., the latter acting as pilot.

According to their story the Tunar stranded at 7 o'clock this morning, but no alarm was felt, as the captain and pilot believed they could float the vessel at high tide. The storm came up in the meantime and drove the submarine hard on a sand bar.

The Tunar was on her way from Newport News, Va., to Bridgeport, Conn., when she was driven ashore. The members of the crew who came ashore will remain here to-night and return to the ship to-morrow if it is located.

**TUMBLE IN MARKET
BLAMED ON PATTEN**

Chicago, May 16.—James A. Patten to-night received credit from Chicago reporters for making Chicago Board of Trade prices take one of the most remarkable somersaults on record. Cereals fell nearly five cents a bushel, and packing house products almost a dollar a barrel.

That Patten designed such an upset quotations as took place here to-day for all kinds of grain and provisions, no persons assert. It was stated, however, that a gigantic selling movement, which got beyond all control to-day had its start in his judgment and action regarding the wheat market.

The firm with which Mr. Patten is

connected was estimated this evening to have sold upward of 500,000 bushels of wheat within the last forty-eight hours. About a quarter of this was said to have been for Mr. Patten's personal account, with some portion of the total at a loss. All of his own sales were said to have been completed yesterday, but the impetus said to have been given thereby, had a cumulative effect, which, through the system of stop loss orders in vogue finally toppled over not only the wheat market, but values also of corn, oats and other speculative articles, notably pork.

One of the consequences of the smash was the free calling of margins to-night, but there was a disposition to assume that the worst of the semi-panic had gone by.
